

CALL FOR POSTERS LET'S LIBERATE DIVERSITY!

We are inviting participants to the next edition of the European forum *Let's Liberate Diversity!* held in Szeged, Hungary, on February 25-26, 2011 to submit posters presenting their actions linked to the conservation and renewal of agricultural biodiversity.

The objective of the poster exhibition is to offer an overview of participants' background and the types of actions they carry out in order to facilitate exchange and networking at the forum. The posters will be exhibited at the forum's venue throughout the event and a special timeframe will be allocated on Friday, February 25, 2011 from 10.30 am to 12.00 pm for presenting and visiting the posters submitted.

Details

1) You may bring your own poster (which may have been prepared for another occasion, but it nevertheless provides a good overview of your work)

OR

2) We can help you put one together according to the template proposed (*see document attached*).

Content: The poster/or the English language summary will include:

- Title: name of your initiative or group
- General overview or description of your initiative
- 2-3 key features you wish to share about your actions linked to the conservation and renewal of agricultural biodiversity and various uses, which may include processing, direct marketing, special labels, gastronomy or any other relevant aspect
- Contact information

Language: Preferably English. If your poster is made in another language we suggest that you prepare an English translation or summary of the poster's text, which we can print on regular paper and display it next to the poster.

Format

Poster size: If you bring your own poster it can be of any size. Posters printed by us: 75cm *110 cm

Texts: File type Microsoft Word doc, between 2500-3000 characters

Photos: File type: JPEG, for quality printing we need high definition photos (min.500 KB)

In order to send large files you may use free programmes like *You Send It* (www.yousendit.com/)

Assistance provided:

In case you already have your poster: we can print the English language text summarising the poster's content.

In case you require our help in making a poster for you: Based on the template we suggest and the texts and photos you send us, we will put together a poster for you and print it.

Please note that in either case, we have no capacity to translate texts.

Submission deadline: Please indicate as soon as possible whether you have the intention to bring your own poster or if you will require our assistance in creating a poster for you. We need this information in order to plan our budget, the exhibition space and if needed, adjust the timeframe available for the poster tour. **Final deadline for submitting documentation (text, photos): February 10, 2011**

Questions, technical help and submission of documents:

Anna Korzenszky, lldhungary@liberate-diversity-hungary2011.org
